## Comment

March is a month of contrasts. Bad weather; hints of spring and for some a few flowers peeking up through the earth. A bit like life and people. But contrast is good as this is what makes an interesting quilt and an interesting society.

## Quote

Sublime upon sublime scarcely presents a contrast, and we need a little rest from everything, even the beautiful. Victor Hugo

## Volunteers Still Needed

Cuddle Quilt in 2018 – A volunteer(s) is needed to replace the current team organizing the event. This is appearing in 2017 because the organizers want to have the volunteer(s) shadow this year's event to be comfortable with the event and tasks. This event will be March 18<sup>th</sup> this year. Contact a member of the executive if you are interested or Sheila Langille directly.

We also need someone to Chair programming. There are excellent members of this committee to help.

## Dessert Party

Mark your calendars for our 17th annual Dessert Party with our Extraordinary Quilter Krista Hennebury (<http://poppyprintcreates.blogspot.ca/>) which will take place on Wednesday April 26, 7pm at the Mahone Bay Legion. Tickets will go on sale on Monday March 6. Tickets are \*\$7.00 for MBQG members (see note \*) plus a homemade dessert and \$15.00 for non-members.

\*Members who buy a ticket for \$7.00 are asked to donate a homemade dessert. We have been asked in the past if a member could buy a \$15.00 ticket and not bring a dessert. The executive discussed this and decided that no we couldn't do that. If we did, we might not get enough desserts as too many members would opt to pay \$15 rather than bring a dessert. This has become a hugely successful event due for the most part for the wonderful array of desserts. Please support the Guild, buy a \$7.00 ticket and bring a delicious dessert!

Cutting Garden: 1-day workshop, Thursday, April 27, 2017

Krista's pattern was published in Australian Homespun June 2015. This beautiful scrappy garden is sure to cheer any home or porch swing. It is a generous lap size, featuring a charming rainbow colourwash of leafy stalks topped by primitive, sweet blooms. Students will learn to piece curves without pins, bias tape appliqué and "fabric sticker" appliqué by machine. Some pre-cutting is required. A perfect quilt for using up scraps

and trading with classmates! A one-stalk table runner featuring a bloom at either end is a simpler option for those looking to make a smaller project.

Structural Improv: 2-day workshop, Friday & Saturday, April 28-29, 2017

Do you quilt under the influence of traditional methods and rules? Do you thrive on pointy points and perfectly square corners but secretly wish you could embrace the creative freedom of this wonky, improvisational business? If your answer is yes, then this class is for you! Starting with 5" charm squares, Krista will teach you her fun and fast piecing method that utilizes your traditional piecing and rotary cutting skills to create wonky strip units. There's no pre-cutting of random strips, no stack

Note all Mahone Bay Quilt Guild events are scent free

'n whack, no free-cutting with scissors. You'll be supported by Krista and fellow classmates as you design a table runner, wall hanging, or lap quilt with your improv units. Krista provides a relaxed, fun and encouraging environment to explore ideas and make your very own original quilt.

All workshops are located at Trinity United Church Hall in Mahone Bay, 9 am-4 pm
