

LEARN & EXPLORE PAINT BY NUMBER QUILTING

with Kerry Foster

In this 2 day workshop, you will explore stylized animal portraiture, reminiscent of vintage paint by number, using turned edge process.

Participants will provide a photograph to the instructor by Jan 14, 2023 for approval. The approved photo will need to be enlarged prior to the class start date, Jan 21.

Day 1:

Work from a photograph to identify colours & shading & create your own drawing to make templates.

Day 2:

Make freezer paper templates from your own design, select colour placement, make swatch key, cut templates, fusing and gluing.

Sewing (quilting) your finished project will be at your leisure on your own time after the workshop.

**Two Day Zoom
Workshop**
12:30 - 4:00 pm
Jan 21 & Feb 4, 2023

Members \$35
Non-members \$55
