# Guild Glossary 2026

So you've taken the plunge and joined the MBQG and now you're wondering, "What are these people talking about?" This glossary can be your guide to what's going on at the guild meetings. Just keep it with you and look up things as they come up in the meeting for a full explanation. Please don't hesitate to ask if there is something you don't understand!

**Scent Free - All our Guild meetings, events and workshops are scent free. We appreciate your cooperation with this as we have several members who are allergic or who have sensitivities to scented products.**

**Annual General Meeting -** Our AGM is held at our June Pot Luck Dinner.

**Christmas Party** - The December meeting is a Christmas party and potluckmeal. There is an optional handmade ornament exchange. Members bring an ornament they made or a purchased one someone else made and it is hung on our Christmas tree. A draw is held for those who participate and they take home an ornament, not the one they brought.

**Canadian Quilters Association (CQA) -** The MBQG is a "Guild" member and many of our members are individual members of CQA. They publish a magazine 4 times a year, we get 2 copies which can be found in the Library. Membership is open to anyone with an interest in quilting. Formed in 1981, the aims and objectives of the Canadian Quilters' Association/Association canadienne de la courtepointe are:

*to promote a greater understanding, appreciation, and knowledge of the art, techniques,and heritage of patchwork, appliqué, and quilting

*to promote the highest standards of workmanship and design in both traditional and innovative work, to foster cooperation and sharing among quilt makers across the country.
